

SHINE YOUR LIGHT

Hydro One employees see the result of their work every night in every light across the province. Over one million homes and businesses count on Hydro One for their electricity and in turn, we rely on our outstanding staff to deliver.

There's a reason why our retention rate is over 90%. We understand that our staff is world class, and we value them as such. Work with us and you will get the opportunity to work with like-minded professionals who drive our organization with their passion and innovation.

From city centres to rural outposts, we make Ontario a bright and beautiful place to live. We are currently looking for a...

Communications Services Officer

- **one temporary, full-time position (12 – 18 months) in Toronto, ON (Reference #19501)**

An excellent communicator with strong English skills, you will assist with consultation plans, strategies, programs and initiatives in support of Capital projects across the Province.

You have a Bachelor's Degree (Public Relations, Journalism or Communications Degree would be an asset) and experience in issues management activities and media relations to be familiar with promotional and news agency release processes, the preparation of material for publication, documentation testimony at public hearings for public relations, and public consultation programs. A valid driver's licence is required.

If you share our passion for safety, our customer service focus, and are ready to play a lead role in building a bright future, we would love to hear from you!

Interested candidates may apply online at HydroOne.com/Careers

Hydro One is an enthusiastic equal opportunity employer. We thank all candidates for applying; however, only those selected for an interview will be contacted. If you are selected for an interview and require special accommodations, please speak with a hiring manager.

Application deadline: July 10, 2017
